Blowjob Natural!

After two years working at the local supermarket I was desperate for something to shake the boredom. So when the new supervisor, Steve, started I really wanted him. I only wanted to make-out, because that's as far as I was willing to go. I'm staying a virgin 'til I'm married.

By the end of a week of heavy flirting Steve told me to come to his office after work. I couldn't wait! I was so excited that the rest of my shift flew by.

"So, you little tease, how come you've been shaking your little tush in my face all week? Is there something you want?" Steve licked his lips and looked me over.

"You could say that," I said trying not to blush. I was being a very bad girl, alone with this older guy.

Steve walked round behind me and slid his hands up under my dress, stroking up my thighs and lifting the skirt around my hips. Steve kissed the back of my neck then reached around to unzip the dress. He pulled it down and there I was, in my white bra and panties.

"Mmm, you smell so fucking fresh," Steve said. "I'll bet you're still a virgin."

"Uh-huh," I said nervously as Steve's hands started to roam over my bare flesh, settling on my titties and grabbing at

14101

my tiny hard nipples through the cotton. I was going all gooey inside.

"What about sucking cock, have you done that before?"

Then I couldn't help but blush when I told him no. I felt so lame, 'cause even though I was 18, I was so inexperienced.

"Do you want to try?" he asked. I nodded and he walked in front of me and unzipped his pants, then pulled his long thick dick out of his thigh. "Suck it," he said.

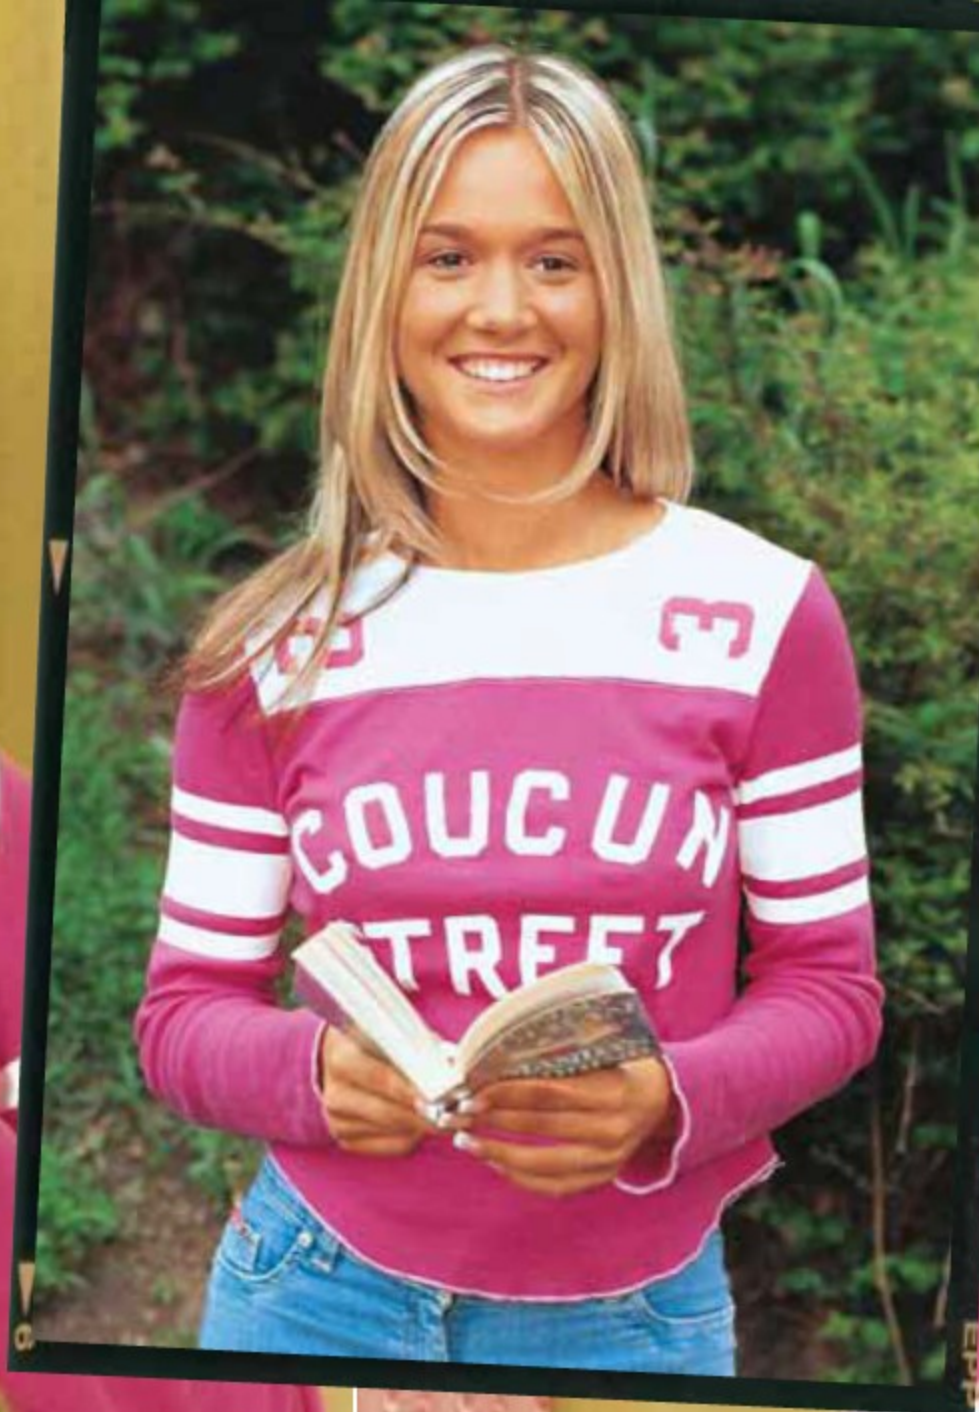

I got down on my knees and put it in my mouth, sucking on the end until it was rock hard and jerking away between my lips. He told me to take it down my throat and I tried to take it all the way in but it was too big, I coughed it out. Steve said I was doing great so I kept trying and on the third attempt I managed to get most of it in my mouth—even I was surprised!

Steve put his hand on the back of my head and guided me up and down his dick harder and faster, soon I had a rhythm going and he was bucking his hips to meet my mouth. Steve was making a whole lot of noise and then he told me he was gonna blow. I didn't know what to expect! Then bam, thick loads of salty goo filled my mouth and spilled from my lips. I swallowed it all down and licked him clean.

"I'd say you're a natural," Steve sighed, with a great big smile on his face. I was so pleased, but I told Steve I had to go, because if I carried on feeling that bad I might do something I'd regret—all I could think about was what that big dick would feel like buried deep inside my virgin hole. I got dressed and left, and tomorrow I get to see Steve again—I wonder if he'll ask me back to his office. I hope so!

Sandi

This girl is just plain adorable, don't you think? And look at that camel toe!

Can you believe it, my last boyfriend said my boobs were too big! What an asshole. Like, just because I'm only 18 I'm supposed to have ittie bittie titties? Of course I dumped him right then and there and now I'm going out with this older dude who thinks my tits are just perfect, thank you very much! And he likes my pussy a lot, too! As a matter of fact, he's been dying to get a piece of it ever since we started going out. He's good, too; he diddles me until I cum every single time we make out and it feels so good that I'm thinking that pretty soon I might let him do full sex!

Vicky

This vixen has learned how to take self-pleasure to a new (and very naughty) level!

I'm not like most girls. See, when I play with myself, I barely even touch my pussy! Instead, I do myself in the butthole. I know, isn't that weird? I mean, girls aren't even supposed to like doing that, are they? But I can't help it. It's like my asshole is extra sensitive or something. And so, even though I know it's nasty, I'm always sticking my fingers or a vibrator up there. Then, and this is totally gross, I get off on the way my fingers smell afterward. I know, yuck! But man, it gets me off. I used to be afraid to tell anyone my dirty little secret but now I guess everyone's going to know, huh?! Oh well!

Vicki's quite the butt slut! Bet she'll be a great ass-fucker when she grows up!

SEX SECRET REVEALED!

HOLY SHIT! 3 Times in One Night?!

BB His cock was so completely HARD & BIG. And his staying power was INSANE. DD

SECRET "Sex Serum" Exposed!

Are you the type of guy that women brag about - THAT "One Guy", the one that "rocked her world"? Now be honest, is that guy you? If not, I may have the secret answer that's been apparently keeping the "industry" guys at the top of their game for years. Check out this letter I received (from a chick none the less).

To the Editor: I don't usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I've only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let's just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I've been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the "champ", I mean he performed sexually like a pro! So between the size of this guy's unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return "favors" he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his "secret sexual serum", better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he'd never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to "recover" faster and do it more often (I'll say!). He even said that ALL male stars he knew in the industry use it - "What do you think, we have the super human ability to fuck like that naturally?"

So next time you think that these "super" studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I'll never let any man that I'm with have sex without it again.

Still A Virgin!

If I let a guy fuck my butt I'm still a virgin, right? That's why I let Gary do it, even though I said I'd never give up my cherry to a loser like him. I've been dating Gary forever but as soon as I get to college in the fall I'll get a better boyfriend. But for now, Gary does lick my pussy so good that I wanted to give him something.

We were fooling around at my house and Gary was giving me a massage with all this oil. He was rubbing it all over my butt then his finger "accidentally" slipped into my butt. "Is that what you want Gary?" I asked. "You want to put it up my butt?"

Gary just made the animal moan and I heard his pants unzip. I told him that I'd let him but he'd better get it greased up really good and if he tried to put it in my pussy I'd kill him. He seemed to think that was fair.

He poured more oil into my butt crack and worked it around my crinkled flower, letting his fingers gently probe so shallowly inside my sensitive hole. It felt fucking awesome, my pussy was drooling buckets as he worked my bud open.

He climbed over me and I felt his thing hard against my butthole. "Not yet," I told him. "Put your finger in first!" He worked a finger into my hole, I gasped as it pushed past that first ring of muscle and he could get no further inside until I relaxed enough then he worked it in and out like he was fingering my pussy.

Oh, I couldn't help but cry out as I started to feel an orgasm building up in me, which was crazy because he hadn't even touched my pussy and I didn't think a girl could cum through her ass. Greg realized he was about to bring me off and shoved a finger in my cooch too, then I came off like a firework.

"Okay, put it up my ass," I said, half begging because now I really wanted it bad. I pulled my asshole as open as I could to meet his dick and he pushed it hard against the hole. It was like it popped in, I was so open, it felt delicious as it climbed inside, spreading me wide. I felt crammed full of his meat. I couldn't stop moaning.

I felt like such a wild animal, letting Gary do me like that, pushing in and out of my virgin bung-hole. But I loved it and I knew that I wanted him to cum up my ass, to feel it spurting inside of me. It didn't take long, a few more thrusts and he unloaded, feeling it drip out of my ass felt awesome. I told Gary that if he was really good I might let him do it again sometime, like I was doing him a favor but really I couldn't wait. I wanted it again right away!

GEEK GIRL

BY CAITIE
ROBINSON

kay, so it all started because I had to take my computer into the shop, which I hate to do. See, I'm a geek, I can take care of my own damn computers! I'm not a moron like most girls: "Ooh, how do I plug in the VCR again?!"

Since my operating system was screwed up, though, I had to get it checked out, even though I knew that the guys at the skanky mom and pop comp shop around the corner would treat me like a total idiot 'cause I'm a girl. They always think they're such hot shit and they charge a ton of money, which I totally don't have. But I sucked it up and got ready to deal with some know-it-all idiot.

But when I walked in I saw Phill, or I saw his ass, anyway. See, he was bent over with his head stuck in a tower and he was cussing something fierce. But all I could see was this awesome butt under a tight pair of jeans. Until he stood up and I saw that he was buff as hell, too. And cute, especially for an older guy; maybe thirty? Plus - get this - his head was shaved! I totally never liked bald guys but, holy shit was he hot!

So I'm standing there, stuttering like a moron and telling him about my comp and all the diagnostic stuff I'd already done, and before I even finished he totally freaked me out.

"Man, I love geek girls," he said, grinning and flashing these awesome dimples.

Shit, I just melted. Not only was he smiling at me like maybe he actually thought I was cute, but

he was taking me seriously. So, pathetic me, I got all weak at the knees and simpery.

See, the thing is, I talk tough and everyone at school thinks I'm an uber whore, but really I'm totally clueless about guys. I mean, I'm cute and all, but none of the guys like me.

So, I couldn't tell, was Phill was coming onto me with the whole geek girl thing and the smile or what? Fuck if I knew! But I totally wanted him to like me, and just standing next to him was making me all gushy inside and, well, gushy you know where, too. I know, I'm so bad!

I totally didn't know how to act, but he was all cool and told me to sit down on this huge bean-baggy thing so that we could fix my comp together. And then he sat, like, right next to me! I mean, he was squished against me and everything! I totally tried to pay attention to what he was saying, something about bad sectors and recovery versus reinstall, but I could barely hear him. I mean, all I could think about was that maybe he liked me, whoo-hoo!

Of course, when he asked what I wanted to

actually do about the comp, I acted like a total moron. Like a damn cheerleader or something. And I thought, shit, no way is this hot guy gonna like me when I'm being such an idiot. But you know what? Instead of rolling his eyes like I was stupid, well, he kissed me instead! Right there on the floor in the middle of this ratty old shop, he started kissing me like I was the sexiest girl on the planet. Totally freaked me out. But made me hot as hell, too, you know? Like I totally couldn't wait to go farther with this guy, even all the way. Yeah, I know, I'd just met him, but shit, I was already all wet from the kissing and I was so happy that he liked me.

So when he reached up to undo my camo pants, well, I wasn't about to stop him. Hell, I even pulled the damn things down myself, and my wet panties, too

'cause by then I was dying to get laid for the first time!

But Phill had another idea. He scooted off the chair thingy and turned around to face me.

"It's okay, I won't bite," he said, laughing at me, and that's when I realized that I had my legs squeezed so tight together that you couldn't have gotten them apart with my dad's pry bar. What a moron! Here I desperately wanted to get laid and I didn't even know enough to spread my legs! I swear I turned about fifteen shades of red as I quick opened up my knees, almost banging him in the head, all the while wondering when he'd give up and go find a girl who actually knew how to fuck. But you know, Phill didn't seem to mind, matter of fact he was grinning at me from between my legs and then, holy shit, his tongue was smack dab on my clit!

I couldn't help it, I squealed like a little girl as soon as his tongue touched my privates. I mean, it felt white hot and cold as ice all at the same time, you know? Plus it was all wet and soft and it tingled like the worst (or best!) tickling ever. But only for a second, then my clit started to feel way intense, like it was on fire. So, I couldn't help it, I grabbed hold of his bald head and shoved his face even deeper into my snatch. That's when

he started lapping at my clit like he was starving to death and I was a fucking banana split. I mean, he was slurping and slobbering and my cunt was drooling all over the place and I swear I was probably squealing like crazy by then, but I didn't care.

And he was so good! Pretty soon he had me bucking up like a fucking bronco at the Stock Show and I know I was screaming then, mainly because my clit was exploding into his mouth and my whole body was shuddering like crazy.

He kept licking, too, until I couldn't hardly stand it, and even after I was done cumming he kept his bald head down there, nibbling on my sopping wet gash until I was all puddled up in that fucking chair.

And then he was grinning at me, his face all smeared with my pussy juice, which totally freaked me out. But he acted like it was no big deal, just rubbed his mouth on his sleeve and started kissing me again. Eww! My own goo! At first I was totally grossed out, but then I got into it, you know, like it was a totally big-

ass slut thing to do, which turned me on even more.

Him too, seeing as how pretty soon I felt his wanker rubbing on my slick pussy lips. I grabbed hold, not that I really knew what to do, more just because I knew I was should, and Jesus, his dick was huge! I mean, freaky, big-as-a-fucking-python huge.

I pretended like I wasn't scared to death, like I'd jacked off about a gazillion monster cocks before, but I think he could tell because he grinned all sweet at me and rubbed his dick real slow against my little clitty, which was still all quivery. I couldn't believe he was being so nice, I mean, I thought guys just wanted to shove it in, you know? But he was the sweetest, which made me want to do it with him even more, even though I totally didn't want him to know I was a virgin. I figured he'd flip out and maybe even stop.

And I was kind of freaked. Like, I'd heard about how it could hurt at first and what with his big ol' wanker, I figured it could be bad.

But I acted all cool and pretty soon he started rubbing that fat head on my slit, then up to my clit and back again, smearing all my girl juices all over the place. God, I was so wet! Totally embarrass-

ing, what a slut! But what with what his tongue had done to my snatch and the feel of his enormous schlong pressed up against my cunny, I was totally gushing. He was gonna have to get another chair for sure, I thought, but then he popped that monster head into my virgin hole and I wasn't thinking at all any more.

Okay, so it hurt for a second, like a nano-second. And then it's like my pussy got all warm and even gushier, you know? Like having a dick tickle my insides was all I'd ever wanted in the whole world. Like I really was an uber whore. But fuck if I cared by then!

When he started pushing his fat pole in harder, I spread my legs and grabbed hold of my

Senior Scrapbook

GEEK GIRL

knees like I was some slut in a porno or something, like I couldn't wait to take his dick all the way up to my belly button. And you know what? I couldn't! He was going all slow, being real careful not to push it in too fast and here I was dying to have him balls deep in my cunt.

So much for little Ms. Virgin! I kind of wiggled my ass a little and he slipped in almost halfway and, holy shit, did it feel good! Like, all crammed, but full and satisfied, you know? Okay, so I've played around with a couple of dildos in my time, like once I used this big fat cuke from the farmer's market, but Phill's dick was so much better. Mostly because it was real, and soft and hard and warm all at once.

By the time he got it worked almost all the way in, his face was all scrunched up, and he told me I had the tightest cunt of any girl he ever fucked which made me feel way good. Hey, he liked my pussy! That made me wiggle even harder and in another second, he was all the way in and my cherry was done good and popped.

But I was such a lame-ass about sex, I didn't even know how much better it was gonna get, can you believe it? Like, I practically forgot about the fucking part! But I sure as hell remembered when he pulled that monster thing out of my pussy with this big ol' slurp and then stuck it back in hard. His balls slapped on my ass and my pussy started quivering like mad. Like I was cumming just from getting fucked, you know? Totally awesome. Pretty soon he was practically slamming my pussy, I mean the chair was scooching across the floor and everything! But Phill just kept pumping like I was the best lay ever and so I wrapped my legs around his tight ass and held on for the ride. Man, his fat dick was, like, reaming me a new pussy, and I knew I was so tight he could barely fit, but since I was still so gushy, he just kept shoving the big thing in and out, groaning like it was both the tightest and best feeling ever.

I knew it felt good for him, 'cause pretty soon he was grunting really loud and his jizz was busting out of that fat wanker and filling up my totally fucked pussy. God, he was pumping so hard by then that I thought he was gonna hurt himself! But I knew he liked it 'cause he just kept cumming and cumming. fucking, it felt good! Both in my pussy and in my head 'cause I knew he liked fucking me, he really did! He kept doing it, too, until his spunk was all squeezed out, and then he grinned at me again.

"Fucking-A!" he said, like he was all impressed and I felt so cool. I'd had my cherry popped but good and the guy still liked me, yay! That's when I decided, hey, it's not so bad to be a geek! 18

it with her. And I guess she
knew that because after my

well, she was so good that I

People tell me I look all young and innocent, but the truth is I'm a total slut! I mean, I've already done sex, like, a million times; I even did it with two guys at once and they did me in both holes at the same time! Of course all the girls at school hate me 'cause I get all the guys, but they're just jealous. See, all the cute dudes are always coming on to me and asking me out because they know that all they have to do is kiss on me and tickle my clit and I'll put out. But I don't care because it feels so good to have a dick up my pussy!

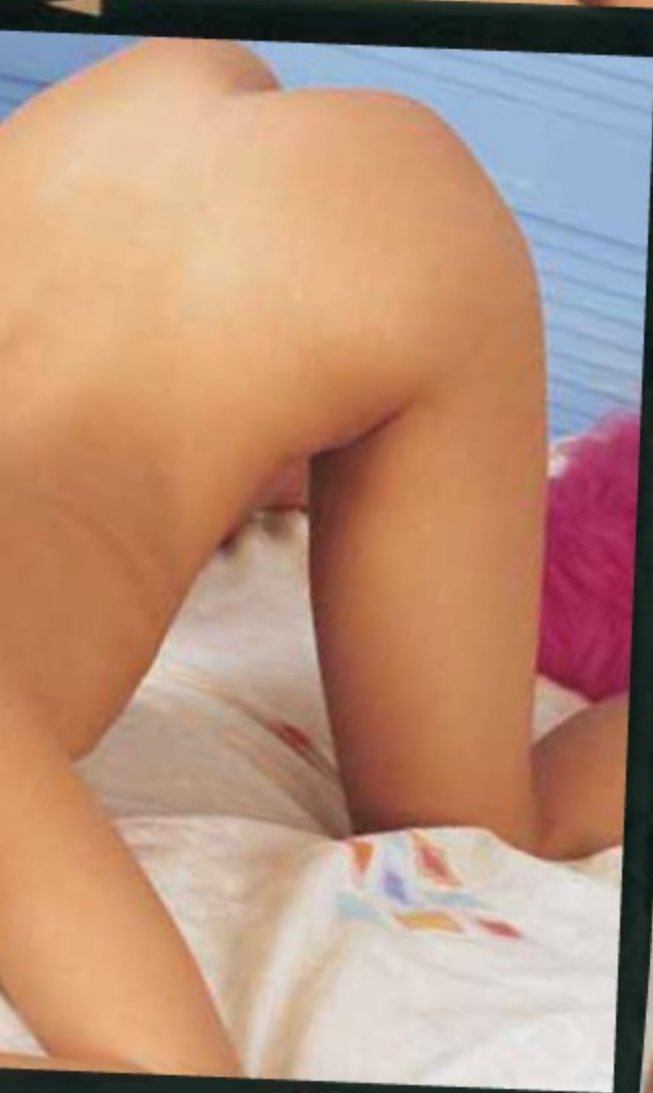

This teeny
tiny girl is a
Just 18 fuck
machine, and
all the guys
love her!

YOUR ASS IS MINE

STARRING: Melissa Lauren, Tory Lane, Lanna Lane, Michelle Banks, Valerie Herrera, Sunny Lane, Jackie Ash

DIRECTED BY: Nick Orleans
AVAILABLE FROM: Bad Seed
RUNNING TIME: 120 Minutes

There's nothing better than a fine piece of ass — and this brand new production company has put together some of the best backsides in the business! With an emphasis on round, ready rumps (and some serious anal action thrown in for good measure), this collection of butt-happy beauties does not disappoint!

Things get off to a serious start as exotic Melissa Lauren shakes her perfect bonbon for her horny admirers and then sucks them both off. She guides her giddy guys in both her pretty portals for a d.p. frenzy that has to be one of the hottest scenes of her career. This Euro-babe is a one-woman fuck machine! She drains her men dry and is still ready for more.

Sweet-faced Sunny Lane bends over and spreads her hot ass for some rowdy rear viewing pleasure. This too-cute newbie is a girl-next-door gone bad! See her look of

determination as she opens her sweet slot and straddles her man for a blistering bone-ride. Her pale, natural breasts bounce up and down as she squeals with delight... and is rewarded with a thick load on her eager face!

After Valerie Herrera does a full rotation atop Chris Cannon's sturdy rod (in the movie's one slow spot), it's Jackie Ash's delicious derriere that begs for attention. She gets it with fingers and tongue before climbing atop her lucky man's throbbing shaft and inching him into her wet, ready pussy. Her frenetic fellatio gets him anxious for the pounding — and she willingly bends over for some inspired doggystyle drilling before opening her mouth for her thick frosting.

The crème de la crème of this assfest is a four-person free-for-all featuring the always outrageous Tory Lane and cum-guzzling up-and-comer Lanna Lane. These competitive cuties share more than sweet lezbiantics: they don't stop until they have their men's stiff dicks in every tight hole. The cockfight climaxes with a spray of semen on the gals' glistening glutes. They lick the pretty mess off one another and share the loads in a cum-soaked lip-lock that is worth the price of admission alone!

TACO SHOP #2

STARRING: Jasmine Byrne, Jennifer Luv, Kathleen Kruz, Paola Rey, Sativa Rose, Shy Love

DIRECTED BY: Mike Quasar

AVAILABLE FROM: Zero Tolerance Entertainment

RUNNING TIME: 136 Minutes

Zero Tolerance has been one of my favorite companies since their inception. They always seem to gather the hottest nastiest girls onto one title with each release. I don't know how they do it, but their casting is always superb. Same thing with the second installment of this series! Each scene begins with a deliberate enticing strip tease from the female talent.

Jasmine does Mark Wood and Mick Blue in a room at the same time. Jasmine takes on both cocks with a

no-hands blowjob and happily swallows both cocks. The guys take turns fucking her pussy and her mouth. Jasmine is fucked in a cowgirl, reverse cowgirl and on her back. The horny tart even gets fucked in the ass while she deep throats the other guy. The talented little fucker even gets double penetrated in a reverse cowgirl and doggie positions. Both guys pop at almost the same time into her waiting face.

The final scene is incredibly passionate and involves Paolo Rey doing her best to fuck her partner stupid. She succeeds for the most part and uses all of her orifices to coax a big load out her man. Here's one incredible, sweaty and dirty scene. Don't miss it! —Kelly

BLACK GIRL NEXT DOOR 5

STARRING: Alayah Sashu, Amerika, Dick Nasty, Gorgeous Dræ, Jadelyn Santana, Japan, Sylvio Mata, Trevor

DIRECTED BY: None credited
AVAILABLE FROM: Afrocentric
RUNNING TIME: 100 Minutes

Here's a question for you; how much do you want to fuck Alayah Sashu? If the answer is anything but straight into the fucking ground, you may be gay. This smoking piece of hot chocolate just exudes sex from every pore in her tight little body. From the boxcover shot of her giving a peek of her panties to her face splattering facial this girl is here to get you off.

Alayah kicks off the Afrocentric title in a grand fashion. Walking out in her tiny bra and panties, Alayah proceeds to strip for the camera and then she lies down on a nearby couch. Spreading her long legs wide-open Alayah starts playing with her pussy and closing her eyes in ecstasy. A guy arrives and immediately gets down to eating her well-

manicured slit. The long haired chocolate lover returns the oral attention with a sloppy slow blowjob. She's a moaner and starts as soon as the guy sticks his dick in her wet slot. The couple move through a few position changes rather seamlessly and Alayah ends up with a chin covered in cum. The dirty little slut doesn't swallow his goo she just lets it sit on her chin as the scene fades to black.

Japan is beset upon by Dick Nasty and another white guy as she plays with herself under the covers. The action cuts quickly as the guys take turns filling her mouth pussy and asshole with their cocks. Japan keeps up with the pounding the guys give her and gets two loads in her face for the effort. Finally Jadelyn does a number on her lone black stud. Jadelyn is the best looking of the bunch but she has some bad tattoos that ruin an otherwise perfect package. Jadelyn handles her man with ease and he pops on her belly after some quality fucking. Four hot girls who love cock will definitely get you off. Pick up some of these girls tonight! —Lauren

I want some pink taco!

Gracie

Intern Of The Month

Everyone always thinks I'm shy because I don't talk much. But do you wanna know the truth? I'm really just a bitch! See, I don't like all that many people, especially girls. I mean, they're mostly just lame-asses, and I figure I don't have to be nice just to please them, you know? So I just keep to myself and they leave me alone. But luckily I'm hot, so the guys are always following me around like puppy dogs. Of course, a lot of them are assholes, too, so I just hang with the cute ones and diss the jerks. Then if they get boring I just tell them to fuck off. See I told you I was a bitch!

This intern didn't make any friends at Just18, but she did suck off the photographer!

Okay, so Grace is uppity as hell, but with a face and body like that, I think she can get away with it!

Stella

Sweet Stella's all groovy, man, especially when it comes to doing wild, crazy sex stuff!

So don't care what other people think. I just kind of do my thing and if people don't like me, too bad. My boyfriend says I'm like an old hippie, all laid-back and into free love and all that. It's true, I don't care if he flirts with other girls and we even did a threesome with this girl from my class and I let him fuck her. Plus we've done all kinds of sex things; he's done me up the ass and I give him blowjobs whenever he wants. Other girls are always teasing their guys and holding out, like they're on a power trip. But not me. I figure, if it feels good, do it, you know?
